Zebra Coalition

Zebra Coalition was established in 2010 to provide a safe space for homeless LGBTQ+ youth, who are vulnerable, at risk and in need. The Coalition is the only nonprofit in Central Florida providing services specifically targeting homeless LGBTQ+ youth and is especially sensitive to the needs of Black, Hispanic and Latinx LGBTQ+ youth.

Zebra Coalition provides homeless LGBTQ+ youth with emergency housing, drop-in services, case management, crisis counseling, mental health counseling, education and employment services, and proactive anti-bullying after school programs all at no charge to our youth or parents. The goal of programming is to provide each youth the tools necessary to become a healthy, happy and self-sufficient individual.
