Q. What does the “Podcast” entail for the run?

A. We have created an audio experience for all runners who want to feel connected as they run our virtual 5k. You will be accompanied by amazing Drag Queen and stories from our Zebra Youth as they cheer you on.

Q. I enjoy listening to music while I run. Do I have to listen to the podcast?

A. You do not have to listen to the podcast in order to participate.

Q. Do I have to raise money to participate?

A. While this is an event to raise money for our Zebra Youth, you do not have to fundraise if you don't wish. Thank you for participating and helping us out towards our goal!

Q. Is there a certain amount that I have to fundraise?

A. Not at all! Every single dollar counts, and we are truly grateful for you helping us out. We have also created a toolkit to help you during this process which you can find on the event page.

Q. What if someone gives me cash or a check?

A. All Checks should be made payable to Zebra Coalition.

Please print the Participant's name (the runner) in the memo section of the check to ensure we know who to give credit

Mail checks to:
Zebra Coalition
ATTN: Drag Race 5k
911 North Mills Ave
Orlando, FL 32803

If you are sending in cash, please include a note stating which runner the donation should be attributed to.

We will notify you by email once the donation has been received and your personal page will be updated.

Q. Will my donors receive acknowledgement for their donations?

A. Yes, all online donors will receive a receipt via email. Participants (runners) should collect ALL pertinent information such as name and address for all offline donors and send it attached to the check / cash they sent to Camp. Supporters will receive acknowledgements from Zebra Coalition once their checks / cash has been received.

Q. Where are all the donations going to?

A. All donations will go directly to Zebra Coalition to help support LGBTQ+ youth in Central Florida
